Enjoy a rare and versatile floor plan designed to accommodate today's evolving lifestyles. This thoughtfully designed home offers a private multi-generational suite perfect for extended family, a nanny quarters, private studio or office, or an ideal retreat for teenagers. The space includes its own kitchen, great room, bedroom, bathroom, laundry with 2025 washer and dryer, and a separate entrance from the garage offering privacy and flexibility for a variety of living arrangements. Set in a peaceful setting with tranquil pond views and frequent wildlife sightings, the home offers both serenity and comfort. Wide plank wood floors and charming beadboard wall detailing welcome you into the open main level. The kitchen features richly stained cabinetry, granite countertops, stainless steel appliances, and a spacious walk-in pantry. The adjoining great room is anchored by a fireplace with built-in, while the sunroom is lined with windows that flood the space with natural light and showcase the beautiful natural surroundings. The upper level includes four spacious bedrooms. One bedroom features a private ensuite bath, while two others share a Jack-and-Jill bathroom and offer walk-in closets. The oversized primary suite provides a true retreat with a box-vault ceiling, custom walk-in closet, large soaking tub, and generous bath space. An upper-level laundry room with a 2025 washer and dryer and a new Salsalube adds
